

## LNZ Dressage Circuit

Open to all LNZ Pony Club members. At the presentation combinations must have a minimum of 4 qualifications on their cards to qualify for a place.

Competitors gain points from designated dressage competitions with the presentation taking place the following year. ***The winners at the end of the circuit would receive an embroidered rug with runner up also awarded.*** A combination can only win in one grade overall and that being the highest grade that they win. The series will be for Preliminary, Novice and Elementary standard tests. Combinations must compete in at least 3 rounds of the circuit. A combination that is an overall winner cannot win the same section the following year except for elementary riders.

For the 2024 year The qualifying test will be the highest test offered for the level, unless advertised otherwise on entry form. Event organizers need to forward results in age groups for all riders in eligible events to co-ordinator for processing. Could all clubs please include a box on their entry forms to indicate if the rider is eligible to compete in the circuit.

Every competitor unless eliminated will be awarded points for the relevant grade. You get one point just for trying.

Example:     18 competitors     winner 18 points  
  2<sup>nd</sup> place 17points  
  3<sup>rd</sup> place 16 points and so on

Example:     9 competitors     winner 9 points  
  2<sup>nd</sup> place 8 points  
  3<sup>rd</sup> place 7 points and so on

The goal of the circuit is to encourage our riders to stay members of Pony Club and offer them something more to strive towards. It is hoped that a circuit would increase participation at our dressage competitions. It would also help with selections for future teams.

Should an equality of points occur the result will be decided on percentages gained and the number of rounds the rider has competed in would also be considered.

The committee of the Lower North Zones decision is final.

Scores and details will be available on [lowernorthzoneponyclub.weebly.com](http://lowernorthzoneponyclub.weebly.com) and for further information please send your questions to zone through your clubs delegate.
